

Factiva Mobile

Taking the World's Best Information Wherever You Go

Out of the office doesn't mean out of touch when you have Factiva Mobile. With easy searching options, as well as alerting to your e-mail, you have the latest news and business information wherever you go.

Logging In

1 Direct your browser to <http://mobile.factiva.com> to display the Login screen.

2 Enter your login credentials.

If your login credentials contain an email address use "Email Login."

If your login credentials contain a namespace, use "Classic Login."

Check Save Login to save your credentials and seamlessly access Factiva Mobile in the future.

3 Click Go.

Tip: Download the Factiva Mobile shortcut to your BlackBerry™ main menu.

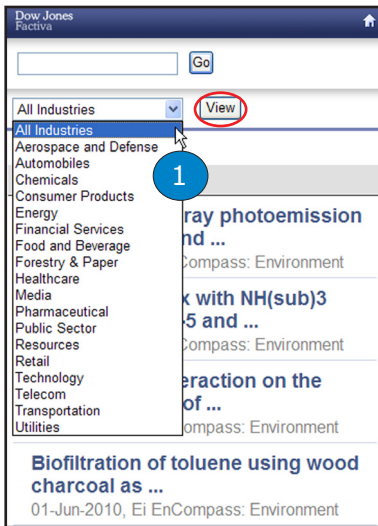

Home Page

- 1 **Search**
Enter keywords to instantly search thousands of Publications, Web News and Multimedia sources.
- 2 **Industries**
Browse top stories of the day by industry.
- 3 **Personalized Homepage**
Access the personalized Homepage that you created on your desktop to quickly view headlines from your favorite Publications.
- 4 **Companies**
Search for news by company name or symbol.
- 5 **Tools - Alerts**
View the latest news in your Alerts folders.

Search

- 1 Enter keywords in the Search field. Click Go.
- 2 Search results will be displayed.
- 3 Click on a headline to view the desired article.
- 4 Use the Previous and Next links to Navigate between articles and the Headlines link to return to the headlines for that particular search. Clicking Email allows users to email articles.

Tip: To continue monitoring this topic click Quick Alert.

Industries

An industry page provides the top ten stories filtered by the selected industry (via dropdown) with a link to more.

- 1 To view the top stories for a specific industry, click the drop-down list and choose one from the list of 18 available industries. Click View.

Companies

- 1 To perform a company search, enter the company name or symbol in the Search field. Click Search.

Company searching also provides options for begins with or contains (select using the drop down).

- 2 The company profile appears. Results for a company search will display (if available):
 - Address/contact info
 - Business description
 - Key executives
 - Key financials
 - Peer group/competitors
 - Stock quote
 - Stock price chart
 - News
