When someone asks for a quote, make sure you've got a **good one.**

A price you pay for success is that others want to put you on the spot. That's when you appreciate being properly briefed.

Indispensable global business news with

essential understanding, delivered concisely, with intelligence, from a reliable source. Everything you need to know but don't have time to ask.

Ideas often seem to come
out of thin air.

That's because we're often
read at 35,000 ft.

In a world of information overload, constant pressure and constant change, blue-sky thinking keeps getting harder. Now The Wall Street Journal Europe is designed

to help. Expertly edited by Patience Wheatcroft and an expanded editorial team, it brings you indispensable news and essential understanding, faster. A vital advantage at any time, but even more so when you're travelling. Wherever your business takes you, the global leader in business news can help you arrive in better shape.

New ambition.
New investment.
New editor.
New columnists.
New features.
New web site.

New edge.

World economies are
changing. Politics is changing.
The environment is changing.
Leadership is changing.

Business is changing. Media is changing. In a world of change, you need to stay in touch, you need to know who to trust. The Wall Street Journal is changing to better leverage the global resources of News Corporation, to be more accessible, to be more influential, to be more entertaining, to be more helpful, to be the voice of global business in Europe.
